From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower.

Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your eyes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

MESSAGE #1268 from the Blessed Mother November 20, 1997

My daughter, Due to obstinate hearts, many are refusing God's grace and my motherly assistance. When one does his own will, then one cannot be correct with God.

This is why it is so important to do God's Will, for then one will not be deceived by the world. Because so much evil has been allowed, your only hope is prayer. Prayer will soften hearts and will help people get back on track. In order for those who have become so deceived to change, they need prayer. If you force them to change, they will only become more violent. If you demand change, they will only become more rebellious, but through prayer and fasting and your example, more souls will be saved. By choosing to do only what is right, it will make others think, for they will know in their heart what is right and what is wrong. For by your example, they will be reminded that there are better choices so that one can avoid sin.

This is why I ask my children to choose right no matter if everyone else chooses wrong. I ask my children to be more willing to do only those things that will help you grow, grow closer to God. I ask that my children be strong in their faith and obey all of God's Commandments. For if you become weak, weak in your faith, then Satan will tempt you and will place doubt upon your heart. If you fall for the world's ways, you will make excuses for your sins, but if you stay close to Jesus, the enemy will then not win. If you obey and abide by true teaching, then you will not become confused, for you will know the truth and no man will be able to fool you. If you receive Jesus often in the Eucharist and pray and recite your Rosary, then you will stay strong and true to Our Lord, but without God's grace, you will fall more easily into sin.

I must warn my children because the world will make it harder for you, for they will curse you and deny you when you follow Jesus and speak in truth. They will attack you with their beliefs because of their refusal to change. They will become more vicious because they know not, how to love. But those who listen and live the messages that have been given to them, will be guided and protected by my mantle. My children will know how to survive, no matter how dark this world becomes, because I, your mother, will lead you to higher ground. You will then be safe from all storms and the turmoil of this world.

This is why I am gathering my children in the Church, for God will be your refuge and strength. Your wealth will not give you the security that you will need, it will only be God. If you remain hopeful, then you will always pray, but if you lose hope and confidence in Our Lord, you will be led astray, for you will give up praying and then the evil one will only become stronger. So stay prayerful no matter how dark it becomes, for in the end, there will be victory. Be not afraid, for God's Angels will be your source of light and they will protect all those who are devoted to Our Lord. They are prepared and ready for battle. So prepare yourselves by preparing your soul, for then God's grace and light will also shine through you.

Now, let us pray that more will respond to these heavenly messages so that change will occur, occur in you. For then God will know that you're trying your very best in doing what is right. Let us pray for those who are refusing to do God's Will, for they will have a harder time accepting the changes that will occur. For in time, all that has been written will be fulfilled and God will not have mercy on those who refused God. Let us pray that more of God's children stay strong in their faith, for they know the truth and will not be able to make excuses. They will be denied if they do not stay strong for Our Lord.

Now, go forth in love, faith and hope and be charitable in all that you say and do, for then God's love and peace will dwell in you. Amen.

MESSAGE #1277 from the Blessed Mother November 28, 1997

My daughter, Be not afraid of tomorrow if you are living your life for Christ today, for you will never have to walk alone if you are carrying Jesus with you.

So trust, my children, for God will always be with you. If you allow fear to enter, then you will not have total trust or confidence in Our Lord. So be not afraid, remove your worries so you do not become anxious about each new day. Just live each day for Christ so you stay focused on Our Lord. Fear will only cause you doubt, which will only cause new problems.

So allow God to guide you, not the world, and listen to God's holy words. Keep your eyes on Jesus so that the world does not blind you or pull you away from truth. Take refuge in your Church so that you stay strong in your faith, for it is your faith that will keep you strong, strong for Jesus. Without faith, you will lose hope. Do not despair, keep your courage high so that you keep fighting and resisting temptation. Do not become discouraged by temptations, just remain strong so you can overcome your weaknesses. By remaining close to God, you will be given the strength for all battles and trials. By remaining close to God, you will then not be tempted to sin. Just keep doing your best and do the Father's Will, for then you will stay loyal and true to Our Lord.

I must warn you that Satan will come stronger, for he is out to destroy the Church. He is furious because so many souls are now living their lives for Christ, so because he knows he is losing ground he will become more violent. But Satan will not win if you remain prayerful and faithful to God's words, for he cannot survive wherever there is God, for he is weak and God is strong. So trust, my children, that in the end, God will always win.

Be not threatened by Satan's vicious attacks, for this is how he tries to gain power. He tries to control you by telling you that you are a failure when you fall. But I say to each of you, just get up again so that you do not become discouraged, for with God's help you will win the daily battle for Heaven. If you remain hopeful your armor will become stronger, but if you lose hope you will give in, which is one of man's weaknesses. It is your will and your desires that cause you to go backwards, so be wise and seek God daily so you do what God is asking of you. Be wise and obey God's laws so you do not give in to your selfish desires. Ask God to give you the wisdom needed to see the evil in sin so you never become blind or trapped by Satan's lies.

Now, let us pray that more will trust in God's goodness so they stay strong, instead of losing hope. Let us pray for those who do not recognize the evil that surrounds them, for they are being fooled and making excuses for their sins. Let us pray that more allow God to enter their heart and soul, for without God, they will not be able to resist the many temptations around them.

Now, stay strong, my children, and never lose hope, for God will always win. For in time, the world will have to decide which side they want to be on, for the forces of evil will become stronger and without God's grace it will become harder for them. So, I plead with my children today to take shelter in Our Heart, for then you will be protected from the many battles yet to come. Our Heart is open, so please take refuge today; you will then be secure and guided in the proper way.

Now, be at peace so you remain strong and loyal to Our Lord. Amen.

My daughter, During this time Jesus is very close to you, so stay strong and be glad that you have been chosen to write and relay our words. Stay strong, so that this peace and joy of knowing Jesus does not leave you. Each trial will strengthen you so your heart stays open to whom God sends to you.

I say to all my children, accept your trials with joy. Accept each new cross and believe in God's mercy and love for each of you. Today I ask that my children have confidence and hope in Jesus. I ask that you trust more and believe that God will help you through those difficult days. God will give you the Grace and strength to endure each new cross. God will not abandon those who believe, and trust, and who turn to Him each new day. Now please rely on God and be dependent on Him. Give to God all that is troubling you so that you do not lose hope or confidence in our Lord. Let go of all fear and anxiety and trust in His unending love for each of you.

I want all my children to be joyful, so please respond and give your life to Jesus. Respond and accept God's love, for then fear and worry will not enter. MESSAGE #2307 from the Blessed Mother April 15, 2002

My daughter, I desire that peace and hope be spread throughout the world. Many ask how can this be accomplished. This can be accomplished by living the gospel life and by being an example to those around you. Each of you must be true apostles and you must walk in the footsteps of my Son, Jesus. You must love Jesus and be willing to be persecuted for sharing your faith. You must not give in to Satan's evil ways. You must be honest, humble and obedient to Almighty God. You must be good teachers and prophets by truly living your faith. You must share these messages by truly living them. You must pray to the Holy Spirit each new day and seek guidance. Each of you must rely on God for strength, for it is impossible to remain strong on your own.

Please dear children, be a people of hope and live each day for Jesus. Be joyful no matter what trials come your way. Accept God's love for you and believe, believe that Heaven is your true home. Believe that the things of this world will not last forever. Believe so you do not become dependent on your wealth or worldly possessions. Place your trust in God and simplify your lives. Do not be selfish children, give back to God what is not rightfully yours. Be charitable and use your gifts and talents for the Church.

Come to me with open hearts, for I am truly here to assist you. Gather in those groups that I have formed and pray and meditate on the mysteries of the Rosary. Come together in unity and I promise no harm will be done to you. I will protect you with my mantle and I will join you each time you pray. I will truly be there to help those who accept my motherly assistance. I will be present with you in your homes if you pray and live your consecration.

Now please, unite in prayer and accept my love for you. Accept my love and do not let anyone or anything confuse you. Accept my love, for I am truly your Heavenly Mother. I am here now, so please welcome me in your Church, your home and in your hearts. Persevere and go forth with love, peace and hope in your hearts. Amen.

MESSAGE #2313 from the Blessed Mother May 6, 2002

My daughter, Pray and persevere. Continue to do what God and I are asking of you, so more souls are saved. Follow my Son and joyfully surrender to Him.

Today I ask that all my children pray, love and seek my Son. I ask that you each accept your difficulties with humility and joy. I ask that you trust in my Son and accept yourselves for who you are. I ask that you turn to God for strength, so that your lives are filled with peace and happiness.

Please do not try to carry your burdens alone. Have hope and place all your trust and confidence in my Son, Jesus. Surrender your lives completely to Him. Surrender all you have with your heart, to His Will, in prayer. Through my prayer and complete trust in God, your lives will surely change.

Now please, do not just believe when times are good, believe and trust in Him always. Believe in God's love for you, believe with your whole heart. Live daily for Him and have faith and hope in my Son, Jesus. Have faith and trust in Him and share your love with others. Give to Him all of your love and do not expect anything other than His love in return.

God has blessed each of you with many gifts, so be more grateful and give thanks to God for His goodness. God is all giving and loving, so please turn to Him now and He will comfort, guide and strengthen you. Go forth now with love in your hearts and have hope and trust in my Son, Jesus. Amen.

MESSAGE #2547 from the Blessed Mother October 30, 2003

My daughter, I am with you, so be at peace and know that you are not alone. God shall be your strength, so please, please stay hopeful. God knows how much you can endure, so please carry each new cross with joy and offer your suffering for the salvation of souls. You are a victim soul, so be grateful for each new cross.

Many Saints suffered tremendously, yet they stayed faithful to God. They stayed faithful to God because they were given the grace and strength needed to endure suffering and persecution. Much strength will be given to those who are willing to be persecuted for sharing their faith. Much strength will be given to those who obey God and who live, live His commandments.

So, today I ask that my children be brave and loyal to our Lord. I ask that you each pick up your cross no matter how difficult it may seem. I ask that you rely on God to help you so that you do not try to carry your cross alone. Each time you ask for assistance, believe that God hears your prayers. Believe that God is with you and that you never have to carry your cross alone. Believe and turn to Him and trust in His love and mercy. Ask for guidance in everything that you do. Ask and I promise you, peace and joy will be given, given to you.

God's mercy is endless, so believe now in God's love that He has for each of you. There is hope for those who trust in Jesus, so be confident, persevere and trust in His unending love. Amen.
